India Post - Speed Post & Citizen Services Manual

Official Government Citizen Reference Manual

1. Speed Post Domestic Guidelines

Speed Post is the flagship premium postal courier service provided by the Department of Posts, Government of India. It offers guaranteed delivery throughout India.

Weight limit for Speed Post parcels is up to 35 kilograms. Local deliveries are made within 1 to 2 working days, metro-to-metro in 1 to 3 days, and rest of India in 2 to 5 days.

Each parcel booked via Speed Post receives a unique 13-character tracking number (e.g., SP123456789IN). Parcels can be tracked online at indiapost.gov.in or via SMS by texting 'POST TRACK <13-digit-ID>' to 166 or 51969.

2. Domestic Parcel Booking and Packaging

For non-urgent heavy consignments up to 20 kilograms, citizens can choose Registered Parcel services.

All parcels must be securely packaged in sturdy cardboard or cloth wrapped and stitched. Prohibited items include flammable substances, explosives, currency notes, and hazardous liquids.

For inter-state commercial consignments, appropriate GST invoices or declarations must accompany the package. Senders must legibly mention recipient and sender complete address with 6-digit postal PIN code.

3. Post Office Savings Schemes & IPPB

Post Office Savings Bank (POSB) accounts can be opened with an initial deposit of Rs. 500. Individual accounts earn 4.0% interest per annum. Nomination is mandatory.

India Post Payments Bank (IPPB) offers 100% digital, zero-balance doorstep banking. Gramin Dak Sevaks and postmen visit citizen homes equipped with biometric micro-ATM devices. Only Aadhaar and registered mobile are required for instant 5-minute account opening.
